Franklin School

Resource Pick Up Information

Dear Families,

As we move to remote learning starting on Friday **20/08/21**, we are preparing to ensure that all students from Years P-5 have access to a device for learning from home.

Families without internet access at home, can request a mobile dongle. Please contact the Front Office as soon as possible so they can be ordered.

To comply with current COVID restrictions, we have planned a staged rollout approach for our students. To avoid overcrowding in the Front Office we will be setting up a drive through collection process using our 'drop off and pick-up' zone at the front of the school seen in the picture below.

The pick-up will be divided into three time slots, one for Preschool, one for Kindergarten to Year 2 and one for Year 3 to year 5. If you have children in 2 or more groups you can pick up all of your devices in one time slot, simply tell staff the names of all your children when you arrive at the station.

These are the times for the pick-up on **Thursday 19/8/21**:

| Preschool | Kindergarten to Year 2 | Year 3 – Year 5 |
|---|---|--|
| 10 – 10:45am | 11 – 11:45am | 12-12:45pm |
| iPad for every student who doesn't already have one | iPad or chrome book. 1 for every student who doesn't already have one | Chrome book for every student who doesn't already have one |

We ask families to strictly observe these instructions when arriving for the pick-up of resources:

- Come within one of your allocated time slots only
- Ensure you are wearing your mask
- Have car window down ready to receive devices
- Drive into the Drop off/Pick-up zone outside the main entrance on Oodgeroo Avenue
- If there are already cars waiting, please stay in your car and queue in the zone
- Stop at the Chromebook station, a marked table with staff at it
- Provide your child's name and year group to members of staff at the station
- Provide the name of any siblings and their year group
- Collect a Chromebook or iPad and a charger
- Exit the drop off and Pick up zone through the car park and out onto Oodgeroo Avenue

★ Resource pick- up station

↑ Flow of traffic into and out of Pick- up and Drop off zone

If you have any questions or concerns, please contact one of our Leadership team members through the Front Office. We appreciate your support with this plan in the coming days.

Kind regards

Kate Flynn

Principal
