Dear parents and carers,

We understand that with a growing number of people in quarantine or isolation that some households are finding it difficult to get groceries delivered in a timely manner due to demand.

Please see if you can get a friend or family member who isn't subject to quarantine or isolation requirements to do a grocery shop for you and leave it on your doorstep.

However, if you need to order home delivery, there are a range of options to consider when ordering groceries.

As well as the major supermarkets, a number of other grocers and independent supermarkets also offer delivery.
